EXPERIENCE

Cluster Coordinator 11/09/2019 - 25/08/2023

Humana People to People India

I had the incredible opportunity to work as a Cluster Coordinator for the Tejaswini Project in the Sudrakshipur cluster of the Kundahit block. My role focused on empowering Adolescent Girls and Young Women (AGYW) aged 14-24 through various initiatives, ranging from addressing dropouts to providing life skills training and improving health and nutrition.

One of the most rewarding aspects of my work was witnessing the transformation of these young women. We started by identifying and addressing the factors that led to dropouts among them. Through tailored interventions and support, we successfully reengaged many of them in education and skill-building activities, giving them a renewed sense of purpose and hope for their futures.
